

Digital Crane Scale

Model : WS601

The WS601 digital crane scale weighs up to 15 ton and features; cast aluminium alloyed housing, 360 degree swivel hooks, overload protection and a remote controller. This crane scale delivers a safe and efficient precise weighing solution for industrial environments.

FEATURES

WS601

- super bright 45 mm high red LED display
- cast aluminium alloyed housing
- patented load cell & overload protection design
- 360 degree swivel hook
- safe overload of 250 % of rated capacity
- ultimate overload of 500 % of rated capacity
- built-in rechargeable battery, up to 150 hours usage
- low battery indication
- high accuracy up to 1/3000 achieved via triple weight ranges
- remote controller (as pictured) supplied as standard with 5000 kg version and available as an additional option for other capacities.

OPTIONS

- heat shield for high heat applications
- RF version crane scale, available with a variety of RF remote displays or display/printer with a range of 100 metres

VARIATIONS

Model Number	Max Capacity	Graduation	Overall Dimensions (mm)
