

Semi-Automatic Tray Sealer

Model : WFT110FCG10

Introducing our new range of reliable and efficient tray sealers. This elegant, commercial grade, semi-automatic machine can extend product shelf life and improve presentation thanks to the modified atmosphere (MAP) and SKIN (optional feature) packaging functionality.

We have a variety of models to satisfy a wide range of food packaging requirements. They are perfect for meat, fish, poultry, vegetables, ready meals and more.
