

Bench Top Vacuum Sealer

Model : WFV36BGS7

Constructed entirely from high-grade stainless steel and coupled with a Busch Vacuum pump from Germany, this bench-top chamber vacuum sealer is designed for commercial use.

It has a 310 mm sealing bar and is simple to operate with user friendly push buttons and a LCD display for creating and storing up to 20 programmes.

Our entire range of vacuum sealer machines has been designed and finished to the highest of standards in Italy. The superior build quality ensures it is one of the most reliable and trouble free machines available to you.
