Weigh Register & Labelling Retail Scales

Model : TSSM120 Series

Price computing scales with receipt/label printer and cash drawer. These affordable scales are NMI approved for trade use and deliver a reliable counter serving solution for quick accurate processing of customer transactions. They are ideal for food retailers including butchers, delicatessens, poultry or seafood retailers.

FEATURES

- NMI approved for trade use
- simple to use
- bright alpha-numeric display (includes tare display)
- easy to change label with front loading cassette
- informative label printing including graphics and barcodes
- large memory to cater for most food labelling requirements
- fast processing & printing speed
- optional cash drawer as depicted

See page 2 for additional specifications
